**TESTIMONY** God's Word confronted me with the fact that my greatest need is to deal with my sin problem. When I was nine years old, I told God I was a sinner and received Jesus as Savior and Master of my life. I knew very clearly that my sin was my greatest problem resulting in my greatest need—Christ. How about you? Will you agree with God by admitting that your sin is your greatest problem and that Jesus Christ died on a cross to take your place?
